## Title:

Multiple fish diversity facets in the Nu-Salween basin: unexpected bimodal patterns, environmental drivers, threats, and conservation implications

## Running titles:

Nu-Salween freshwater fish diversity

## Author names:

Yan Wang,<sup>1,2</sup> Chengzhi Ding,<sup>1,3</sup> Sébastien Brosse,<sup>4</sup> Nick Bond,<sup>5</sup> Nyo Nyo Tun,<sup>6</sup> Bangli Tang,<sup>1</sup> Jie Wang,<sup>1</sup> Liuyong Ding,<sup>7</sup> Juan Tao,<sup>1,3\*</sup>

**Corresponding authors\*:** Juan Tao

**Corresponding author addresses:** Institute of International Rivers and Eco-security,  
Yunnan University, Kunming 650500, China.

**Corresponding author email addresses:** [taojuanat@gmail.com](mailto:taojuanat@gmail.com)

#### **Author Contributions:**

JT and CD conceived and supervised the project. YW, SB, NB, and JT designed revised the research strategy and methodology. YW, NNT, BT, JW, and LD performed the data collection. YW, JW and LD performed the data analysis. YW, SB and JT led the writing. All authors commented on the drafts of the manuscript and gave final approval for publication.

**Acknowledgements:** We are grateful to all the ichthyologists who contributed to research on freshwater fishes in the Nu-Salween River. We thank colleagues and students from Yunnan University for their sampling assistance. We would like to thank Professor Dekui He from Institute of Hydrobiology, Chinese Academic of Sciences, Professor Xiaoyong Chen from Kunming Institute of Zoology, Chinese Academy of Sciences, and Professor Chavalit Vidthayanon from SeubNakasathien Foundation for providing advice on this work.

#### **Data availability statement:**

The data will be provided on reasonable request.

#### **Funding statement:**

This study was financially supported by the National Natural Science Foundation of China (Nos. 42271066 and 42077447), and the Yunnan Applied Basic Research Projects (Nos. 202401AS070147 and 202401AT070463).

#### **Conflict of interest disclosure:**

The authors have no conflicts of interest to declare.
